

**Fireworks at Memorial Park will be held SUNDAY, JUNE 29TH due to Saturday's severe thunderstorm watch**

### From the Desk of Mayor Frank Nunziato

Last week I had the pleasure of standing alongside Rutherford Chamber of Commerce President Dan Meredith as we cut the ribbon together on the Chamber's future home at the old ticketing office at the Rutherford Train Station.

Under Dan's leadership, with Board Secretary Jennifer Ersalesi and the rest of the all-volunteer Board, the Chamber and the Borough have formed a great partnership in the past 5 years. In addition to the many events they host that help strengthen our business community, the Chamber regularly contributes to the sponsorships that offset the costs of Borough events like Dining Out Rutherford.

Moving them into this space was years in the making, requiring lots of communication between the Borough, NJ Transit and the Chamber. It's a project that I'm especially proud to have taken on because it makes a practical difference in the day to day operations of a group of volunteers who really care about Rutherford.

As Dan's very patient wife Kristin has reminded me more than once, having a visible greeting center and work space will not only strengthen their ability to support local businesses and non-profits, but she can also finally move the stacks of Chamber paperwork that have been living in her house and office for years to a proper facility.

Thanks to everyone who came out to celebrate this occasion - I know the Chamber has a lot of great things planned for this space and they plan to be open and greeting people in time for the fall!

- Mayor Frank Nunziato
