

Borough Hall will be closed Monday, February 16th in observance of Presidents' Day

From the Desk of Mayor Frank Nunziato

I'd like to start by thanking the DPW for their handling of our first major snow event in several years. The deep freeze that followed made this storm more challenging for snow removal. I'd like to thank residents for their patience and adhering to parking restrictions when necessary. Hopefully that will be the only storm of its kind this season, but should we have another, please remember that a little patience and kindness to our neighbors goes a long way.

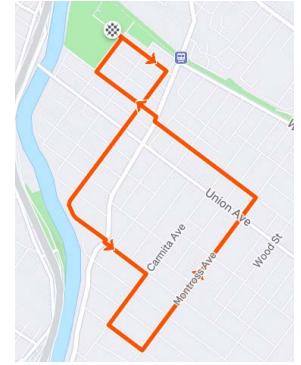

Speaking about kindness, on behalf of the Council and myself I'd like to thank Ms. Behnke's 3rd Grade class at Lincoln School for sharing their annual "Great Kindness Challenge" project with us. This week, many of our Borough Departments and my office received hand written letters from students throughout Lincoln School telling us what we they love about Rutherford. From sports to town events and parades and everything in between, these kids reminded us there is a lot of good all around us. Thank you to Principal Velechko at Lincoln School for teaching civics to Rutherford students.

And to McKenzie Branca, it was my pleasure to swear in your dad as Fire Chief. I'm glad you enjoyed it too!

- Mayor Frank Nunziato
